Manchester By The Sea, MA 01944

Dear Jim,

I want to thank you for assisting DelStar Technologies, Inc. in our search for a Plant manager in Texas. The one aspect of your service that stands out is the extensive background information that is provided. I was very impressed with the level of detail and scope of information. This made the interview process easier and allowed me to focus on specific areas of interest.

As we grow going forward, I look forward to continuing the relationship.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Abrahams", with a long horizontal flourish extending to the right.

Mark Abrahams
President and CEO
DelStar Technologies, Inc.
